

OBJECTIVE

Motivated and dedicated Full Stack Web Developer pursuing a Bachelor's in Computer Applications, eager to apply my knowledge of modern web technologies in a hands-on, real-world environment. Seeking an internship opportunity to learn, grow, and contribute to a development team, focusing on full-stack projects.

PROJECTS

- 1.Portfolio: <https://portfolio-dnly.vercel.app/>
- 2.RecipeMart: Next.js web app for browsing recipes and ordering groceries. Includes Stripe for payments and user authentication.
- 3.AnimeQuote API: RESTful API built with Node.js and MongoDB, delivering anime quotes. Features authentication and CRUD operations.<https://github.com/neeranjana-bhardwaj/AnimeQuote>
